

All Saints Anglican Church New Church Building

- New Atlantic recently completed a new 14,000 SF facility that is nestled on 8-acres in the heart of Weddington, NC.
- McLeod Associates/Architect designed the facility that includes a sanctuary, multipurpose space, full-service kitchen, classrooms, offices, and gathering spaces.
- Sitework included clearing, grading, detention pond with sand filter, asphalt paving, site concrete, storm drainage, utilities, 2 fenced play areas, and landscaping.
- The building consists of slab-on-grade, structural steel, wood framing, masonry, and shingle roof.
