

Elon University East Campus Housing & Tennis Center

- New Atlantic worked with Hanbury to construct 3 new residence halls and a tennis building. The residence halls are situated between E. College and E. Haggard Avenues on the Elon University campus near the tennis center.
- The steel-framed, masonry clad residence hall buildings are 3-stories and 26,618 SF. They each house 103-beds, laundry rooms, lounge/study spaces, and custodial closets.
- The tennis building is a 2-story, concrete masonry unit and steel-framed 5,875 SF building. This new facility houses the coaches offices, locker rooms, training/stringing room, restrooms, remote server hub, and mechanical and electrical rooms.
- Automatic and monitored sprinkler systems are in all buildings, and each facility has accessibility features.
